Attention Parents!

Your School Counseling Department is proud to present.....

FAMILY CONNECTIONS

Your student's very own Online Career & College Planning Portfolio

With the fantastic support of our PTA, teachers, administration and now, our parents, we can provide our students with the best resource out there for planning their next steps after High school.

Here's a little taste of what your students will be doing each year

Freshmen: Setting 9th Grade Goals & how to track them

Sophomores: Completing Strengths Explorer

Juniors: Career cluster matching & College Searches

Seniors: College Searches/Lookups, Scholarship knowledge, & so much more.

How & Where??

Log-onto northcountyhs.org and click on Counseling Center. This will launch the Family Connections page. All your student needs to log-on is their *Student ID #*.

Passwords will always be your student's ID #

It's that simple!

Parents you can have access too if you just email Chelsea Singer (csinger@aacps.org) your email address that you want to use, the program will send you an email on how to get onto Family Connections as well. 😊
