One of the exciting aspects of being in the STEM program here at North County High School is attending Job Shadowing and community events. We want our STEM students to look their best while out representing our school and our program. To this end, we require our STEM students to wear the STEM uniform while attending such events. The uniform consists of a BLACK STEM Polo (tucked in), Khaki colored pants/skirts, dark dress shoes, and a dark belt. Each STEM student **MUST** order a **BLACK STEM Polo** shirt as this will be worn on STEM Job Shadowing and community events. Students may order additional shirts and colors if they wish.

Please make checks payable to: Team Distributors.
