

Do you agree...?

My child is safe at school.

Teachers sets high standards for academic performance.

I feel welcome in the school.

If my child does something bad—or good—at school, I usually hear about it from the school.

I'm encouraged to be an active partner in educating my child.

If my child is having a problem, I know who I can talk to.

My child feels like he/she belongs.

The adults really care about my child.

This school treats all students with respect.

There are clearly defined rules and expectations for students' behavior.

There are quality programs for my child's talents, gifts, or special needs.

The building is clean and well-maintained.

Last year, **only 4.5%** of North County High School parents told us how they felt.

This year, we want to hear from everyone.

Visit <http://survey.pagequest.net> and make sure your voice is heard.
(or contact your school to make other arrangements to take the survey.)
