The Board of Education has determined that students taking AP Exams may be excused from their regularly scheduled classes on the day of the exam to allow necessary time to prepare for their exam(s). This means that a student scheduled for a morning exam can leave early after the exam or that a student taking an afternoon exam can arrive at the afternoon exam report time of 11:30 a.m. Students would be marked "present" for these times with a code of "school activity". Please complete the form below and turn in to Ms. Albert in the attendance office **no later than April 22, 2016**.

Place a check in either the early dismissal or late arrival column after the every exam being taken. A **parent/guardian signature is required**.

If this form is not received by **April 22, 2016**, the student will not be marked "present" if he/she leaves school early or does not attend school.
