**Seniors:**

Many seniors took advantage of our Senior Kick-off Summer Sessions to learn about planning for post-high school decisions. Students who will be applying to a four-year university received information about the transcript and recommendation request process below...

**Transcript and Recommendation Requests**

College Transcript requests need to be made from Naviance AND we will need a paper request turned into Mrs. Hildebrand in the Counseling Suite along with the \$2 payment per transcript. The form can be found in the Counseling Suite.

Students who are applying to colleges using the Common Application **MUST match their applications to Naviance**. There is link to a video on Naviance under Pages on the home screen which instructs students how to do this.

Transcripts to colleges should be requested:

1. From College Tab>Colleges I am applying to>add colleges

**A School Profile** is always included with the transcript

**SAT and ACT score reports** are NOT included and must be requested directly from the College Board (SATs) or ACT website.

**Counselor and Teacher recommendation requests** will be sent directly from Naviance with the link on the College Tab.

**If you have a Sendedu school, please mark that on your transcript request form**

Please complete the **NCHS Letter of Rec/Senior Survey** in the “about me” tab on the Naviance website. Your answers to these survey questions assist your counselor in preparing a letter of recommendation
